

ICC FOAM PLASTIC INSULATION STANDARD COMMITTEE (IS-FPI)

The first meeting of the
ICC Foam Plastic Insulation Standard Committee
will be held **April 25-26**, 2017.

- REVISED MEETING NOTICE -

April 25-26, 2017

**Four Points Sheraton Chicago O'Hare
10249 W. Irving Park Road
Schiller Park, IL 60176
847 – 671 - 6000**

Room rate \$ 109 (Cut-off date is April 12th)

April 25: 8:00 am – 5:00 pm
April 26: 8:00 am – 2:00 pm

The purpose for this meeting is for the IS-FPI committee to consider public input that has been submitted from the Call for Input on the Initial Draft of the ICC 1100 Standard for Spray-applied Polyurethane Foam Plastic Insulation dated February 2017.

The tentative agenda will be posted on the ICC website at [IS-FPI website](#).

The scope of the IS-FPI committee is to create an American National Standard to establish the minimum physical and performance properties as well as application requirements for spray applied foam plastic insulations.

This meeting is open to the public.

If you plan on attending, please contact Steven Thorsell, Committee Secretary.

Hotel – airport logistics: Complimentary hotel shuttle. Agendas, meeting minutes, meeting materials and all other documents can be found on the [IS-FPI website](#).

TO ATTEND, AND FOR ADDITIONAL INFORMATION, PLEASE CONTACT:
