

# ICC/SRCC/APSP POOL SOLAR WATER HEATING AND COOLING SYSTEM STANDARD

---

---

## - MEETING NOTICE -

---

---

The sixth meeting of the ICC Pool Solar Heating & Cooling Standard Consensus Committee (IS-PSHC) will be held at the following location on:

**Tuesday, December 6th, 8:00 am – 5:00 pm EST**  
**Wednesday, June 24<sup>th</sup>, 8:00 am – 1:00 pm EST**

<u>Meeting Location</u>	<u>Lodging</u>
<p><b>Florida Solar Energy Center (FSEC)</b> <b>1679 Clearlake Road, Cocoa, FL 32922</b></p> <p><a href="http://www.fsec.ucf.edu/en/about/visiting/index.htm">http://www.fsec.ucf.edu/en/about/visiting/index.htm</a></p>	<p><b>TBD</b></p>

The purpose of this meeting is to complete the process of developing the first public review draft of a prospective ANSI standard for solar heating and cooling systems used for residential and commercial pools, spas and hot tubs. [Click here](#) for the project webpage, which contains additional information, including the tentative agenda.

The Solar Thermal Standard Consensus Committee (IS-PSHC) was appointed by the ICC Board of Directors in July 2015 and has primary responsibility for the development of the proposed standard. All standard development is subject to ICC's ANSI-approved standard development procedures, which conform to the consensus requirements in the ANSI Essential Requirements. [Click here](#) for all ICC standards-related procedures and policies. All meetings are open to the public, but all attendees are requested to register their attendance in advance.
