

**2016 Group B Final Action.** In accordance with Section 10.0 of CP28 *Code Development*, the Code Council Board of Directors has confirmed a valid 2016 Online Governmental Consensus Vote (OGCV) process as certified by the Validation Committee. The Final Action on all 2016 Group B code change proposals, including the vote tallies from the OGCV, are now [posted](#). All totaled, there were 577 code change proposals considered in the OGCV.

The 2016 OGCV concludes the 3<sup>rd</sup> full cycle of ICC's implementation of the cdpACCESS system. The 2016 OGCV resulted in significant increases in participation over the past two cycles (the OGCV debuted in 2014 with the Group C Cycle and the IgCC). The following is a snapshot of the progress realized with cdpACCESS.
