

# 2021 GROUP A VIRTUAL COMMITTEE ACTION HEARING SCHEDULE

Track 1: April 11 – 21, 2021  
Track 2: April 25 – May 5, 2021

## ICC CENTRAL REGIONAL OFFICE (Code Committees, Moderators, Staff only)

As posted on November 9, 2020, the 2021 Committee Action Hearings will be held virtually. The committee members, moderators and staff are scheduled to be on-site (ICC Central Regional Office) to the extent practical. All testimony and participation will occur virtually via an online Zoom platform. The goal is to replicate our typical in-person hearings to the greatest extent possible. The hearings will be split into two tracks with a 3 day break in-between.

TRACK1: IPMC/IZC; IBC – G; IBC – FS; IBC - E

TRACK 2: IFGC; IPC/IPSDC; IRC – P; IRC – M; IMC; ISPSC; IFC/IWUIC

As with typical in-person hearings, unless noted by “Start no earlier than X am/pm,” each Code Committee will begin immediately upon completion of the hearings for the prior Committee. This includes moving a Committee forward or back from the day indicated based on hearing progress. The actual start times for the various Committees are not stipulated because of uncertainties in hearing progress. The schedule anticipates that the hearings will finish on the date noted as “FINISH” for each track. This may require going beyond the scheduled finish time.

This schedule has additional time built-in to accommodate both the anticipated increase in remote participation (testifiers) as well as potential technical challenges we have all seen in our daily 2020/2021 activities while working remotely/virtually during the pandemic. Online Registration (open), updated CP 28 Code Development, updated 2021/2022 Cycle Schedule, preliminary logistics, and FAQ’s are posted on the 2021 Virtual CAH [website](#). As more details on the logistics become available, they will be posted. Virtual hearing protocols will be established by the Code Council Board and posted.
