

Bill Spohn

Bill Spohn is President and owner of TruTechTools.com. He holds a bachelor's and master's of science in Mechanical Engineering, and over the last 30 years he has designed, marketed and sold a wide array of test and measurement products.

He has worked on BPI, RESNET, GAMA, AHRI, OMA, RSES, NATE, and ACCA Technical Committees, and holds three US patents in instrumentation design.

Spohn regularly consults, teaches and writes on instrumentation applications in HVACR, building science, healthy homes, indoor air quality and weatherization.

Spohn is also host of the Building HVAC Science and RESTalk podcasts.

He is currently building a modular, high-performance home near Pittsburgh, Pennsylvania.
