

# ICC Residential Seismic Assessment and Retrofit Standard Consensus Committee (IS-RSARC)

The first public teleconference meeting of the ICC 1300 Residential Seismic Assessment and Retrofit Committee will be held October 16, 2020 11:30 am-2:30pm CT remotely via WebEx.

---

---

## - MEETING NOTICE -

---

---

The purpose for this virtual meeting is for the IS-RSARC committee to discuss the development of the ICC 1300 standard:

**As an ANSI accredited standards developing organization, ICC is undertaking a project coordinated with the California Earthquake Authority (CEA) and FEMA to develop an ICC Standard for the seismic evaluation and retrofit of one and two family dwellings (including townhouses) designated as ICC 1300, *Standard for the Vulnerability-Based Seismic Assessment and Retrofit of One- and Two-Family Dwellings*.**

The development of the standard will be initiated with *FEMA P-1100* as an initial draft. This committee will have primary responsibility for the development of minimum requirements to safeguard the public health, safety, general welfare by providing a methodology for the identification, evaluation and retrofit of specific known vulnerabilities for one and two family wood light-frame dwellings up to 2 stories in height located in Seismic Design Categories B through E. This will include the use of the best available seismic numerical modeling tools and engineering practices to assist in development of assessment methods and to identify retrofit criteria to best achieve targeted performance objectives. Use of the provisions is anticipated to improve earthquake performance but is not necessarily intended to prevent earthquake damage. Also included is the evaluation and retrofit of masonry chimneys attached to 3 story buildings.

#### Meeting Agenda:

1. Welcome
  - a. Opening statements
  - b. Introductions
    - i. Committee members
    - ii. Others
    - iii. ICC representatives
2. Welcome from ATC and Summary of past work
3. Summary of Committee Procedures
4. Discussions
  - a. Goals
  - b. Work Plan / Schedule
5. Elect Committee Chair and Vice Chair
6. Select Task Groups to divide up the work
7. Select dates and times for next meetings.

This meeting is open to the public.

If you plan on attending, please contact Samhar Hoz ([shoz@iccsafe.org](mailto:shoz@iccsafe.org)), Committee Secretariat for call-in/WebEx information.

Agendas, meeting minutes, meeting materials and all other documents can be found on the RSAR website below:
