

As an **NGBS Green Verifier** you qualify for the **ICC/NGBS Green Verifier Member Value Package**

The International Code Council (ICC), in cooperation with Home Innovation Research Labs, is offering NGBS Green Verifiers the opportunity to build their professional qualifications and enjoy the valuable benefits offered exclusively to ICC Members at a savings of more than \$50.

Through the **ICC/NGBS Green Verifier Member Value Package**, you will receive:

- 1-year ICC Building Safety Professional Membership
- An electronic download of the 2012 or 2015 *International Energy Conservation Code*® (IECC®)
- A voucher good for one **ICC Certification Examination*** that can be redeemed at any of hundreds of exam locations throughout the country.

**Satisfactory completion of the IECC certification exam results in a 3-year ICC certification. Code Officials looking for independent inspections often look for NGBS Green Verifiers that have ICC credentials—so now is a great time to get yours!*

The **ICC/NGBS Green Verifier Member Value Package** also includes:

- One year of free code opinions by ICC's expert technical staff – an ICC Member favorite
- Special ICC Member pricing on many publications and digital products, training and other products and services.

Don't miss out on this opportunity that is only available to NGBS Green Verifiers. Simply submit the application found at www.iccsafe.org/NGBSGreen and begin to enjoy all the benefits of being an ICC Member.
