Re: Support of Thomas Peterson as a member of the ICC Board of Directors

Dear Mr. Elbettar,

The State of Utah is proud to be able to support Thomas Peterson as a candidate for the International Code Council Board of Directors. We recognize there will be a time commitment associated with providing this service to ICC and see value in this commitment. We have faith that as Thomas continues to serve in this capacity we will continue to see positive steps in moving ICC forward and a benefit of the State of Utah and its residents.

If elected, we are committed to supporting Thomas in his role as an engaged and contributing member of the ICC Board of Directors.

Respectfully,

Nick Radulovich, Assistant Director
Division of Facilities Construction and Management
