

STATE OF MISSISSIPPI

Office of the Governor

PROCLAMATION

WHEREAS, our state is committed to recognizing our growth and strength depends on the safety and economic value of the homes, buildings and infrastructure that serve our citizens, both in everyday life and in times of natural disaster; and

WHEREAS, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

WHEREAS, these guardians are dedicated members of the International Code Council, a U.S. based organization that brings together local, state and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, worship and play; and

WHEREAS, our nation benefits economically and technologically from using the International Codes® that are developed by a national, voluntary consensus codes and standards developing organization. Our government is able to avoid the high cost and complexity of developing and maintaining these codes, which are the most widely adopted building safety and fire prevention codes in the nation. These modern building codes include safeguards to protect the public from natural disasters such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes; and

WHEREAS, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown guardians of public safety—our local code officials—who assure us of safe, efficient and livable buildings that are essential to keep America great; and

WHEREAS, "Code Officials—Partners in Community Safety and Economic Growth" the theme for Building Safety Month 2017, encourages all Americans to raise awareness of the importance of building safe and resilient construction, fire prevention, disaster mitigation, and new technologies in the construction industry. Building Safety Month 2017 encourages appropriate steps everyone can take to ensure that the places where we live, learn, work, worship and play are safe and recognizes that countless lives have been saved due to the implementation of safety codes by local and state agencies; and

WHEREAS, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property:

NOW, THEREFORE, I, Phil Bryant, Governor of the State of Mississippi, do hereby proclaim the month of May 2017 as

BUILDING SAFETY MONTH

in the State of Mississippi.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

DONE in the City of Jackson, on the 3rd day of April in the year of our Lord, two thousand and seventeen, and of the Independence of the United States of America, the two hundred and forty-first.

A handwritten signature in blue ink that reads "Phil Bryant".

PHIL BRYANT
GOVERNOR
